Drafting rules

Teams forfeit/defwin/deflose

If a team forfeits a game, all bets are going to be canceled and your money will be back on your fanobet account.

Exceptions:

- In BO1 game, if a team quitted the game after finishing BAN/PICK, we would accept the opponent of the quitted team as a winner.
- In BO2 match, if a team won the first game and quitted the next game later, the bet will be canceled. But if the team won the first game and the opponent quitted the next game, we will accept the opponent of the quitted team as a winner.
- In a BO3, if both teams have scored, we will accept the opponent of the quitted team as a winner.
- In BO5, if a team already won 2 games, but the opponent quitted the next game, the leading team will take the final victory. If the leading team quitted the next game, the bet will be canceled.
- If a team starts the game with map advantage because of forfeiting, or getting penalty points all bets will be canceled in BO1 & BO2 games, in case of BO3 and BO5 games only the special bets will be canceled.

What happens if the game is forfeited or canceled?

You will get your money back. If it's a combination bet then the odds are going to be reduced to 1.00 on this particular match.

What deposit and withdrawal methods do you accept?

Match Result

Market Description

For soccer games we offer 3-option bets, which means you need to predict the result of a match from: home win | draw | away win, sometimes denoted on our website/coupons as 1 | X | 2.

Bets are settled on the events that occur in normal time. This includes any injury/stoppage time added on by the match official at the end of normal time. Extra time does not count unless otherwise stated.

Q) I placed a bet on Man Utd to win on the match result market and they won in extra time. Is my bet a winner?

A) No your bet is not a winner as the match result at the end of normal time was a draw.

General rules

If an event is suspended or postponed then bets remain valid provided that the event is completed at the same venue within 24

hours. If the event takes place at a different venue then bets will be canceled and stakes returned.

NHL

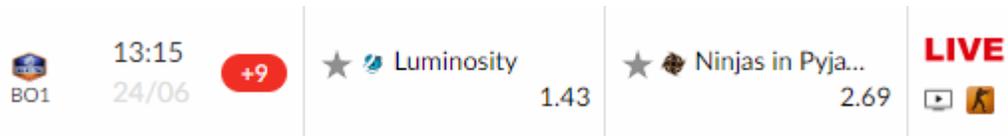

- NHL bets (pre-match and live betting) include overtime and penalty shootouts unless specifically stated otherwise. If a game is decided by a penalty shootout, one goal will be added to the winning team's score and the game total
- A game must be completed in full for bets to stand, unless settlement of bets is already determined.

All Competitions (Excluding NHL)

- All pre-match bets will be settled based on the score at the end of regulation time, excluding overtime if played, unless otherwise stated.
- A game must be completed in full for bets to stand, unless settlement of bets is already determined.
- For non-NHL games we offer 3-option bets, which means you need to predict the result of a match from: home win | draw | away win, sometimes denoted on our website/coupons as 1 | X | 2.

Teams forfeit/defwin/deflose

If a team forfeits a game, all bets are going to be canceled and your money will be back on your fanobet account.

Exceptions:

- In BO1 game, if a team quitted the game after finishing BAN/PICK, we would accept the opponent of the quitted team as a winner.
- In BO2 match, if a team won the first game and quitted the next game later, the bet will be canceled. But if the team won the first game and the opponent quitted the next game, we will accept the opponent of the quitted team as a winner.
- In a BO3, if both teams have scored, we will accept the opponent of the quitted team as a winner.
- In BO5, if a team already won 2 games, but the opponent quitted the next game, the leading team will take the final victory. If the leading team quitted the next game, the bet will be canceled.
- If a team starts the game with map advantage because of forfeiting, or getting penalty points all bets will be canceled in BO1 & BO2 games, in case of BO3 and BO5 games only the special bets will be canceled.

What happens if the game is forfeited or canceled?

You will get your money back. If it's a combination bet then the odds are going to be reduced to 1.00 on this particular match.

Match Result

Market Description

For soccer games we offer 3-option bets, which means you need to predict the result of a match from: home win | draw | away win, sometimes denoted on our website/coupons as 1 | X | 2.

Bets are settled on the events that occur in normal time. This includes any injury/stoppage time added on by the match official at the end of normal time. Extra time does not count unless otherwise stated.

Q) I placed a bet on Man Utd to win on the match result market and they won in extra time. Is my bet a winner?

A) No your bet is not a winner as the match result at the end of normal time was a draw.

General rules

If an event is suspended or postponed then bets remain valid provided that the event is completed at the same venue within 24 hours. If the event takes place at a different venue then bets will be canceled and stakes returned.

NHL

- NHL bets (pre-match and live betting) include overtime and penalty shootouts unless specifically stated otherwise. If a game is decided by a penalty shootout, one goal will be added to the winning team's score and the game total
- A game must be completed in full for bets to stand, unless settlement of bets is already determined.

All Competitions (Excluding NHL)

- All pre-match bets will be settled based on the score at the end of regulation time, excluding overtime if played, unless otherwise stated.
- A game must be completed in full for bets to stand, unless settlement of bets is already determined.
- For non-NHL games we offer 3-option bets, which means you need to predict the result of a match from: home win | draw | away win, sometimes denoted on our website/coupons as 1 | X | 2.
